Summer Prices

May 2021

Dear Sir/Madam,

Thank you for your continued custom and hope you are keeping well.

We are all experiencing difficult times due to Covid-19, but hopefully with the vaccination roll-out there appears to be light at the end of the tunnel.

Summer discounts are available from now until the end of September. As ever, we will do our best to fill your bunkers or stack the fuel wherever you need it, not leave it at the front of your property for you to move yourself.

The government ban on house coal (not smokeless fuels, ovals, briquettes etc.) will be from April 30th, 2023. We can still supply house coal until this time, either loose into your bunker or shed or in unsealed, 25kg plastic bags.**

There are a wide range of smokeless fuels suitable for open fires that will last longer, burn hotter, are more efficient and keep your chimney cleaner than house coal. Please check out our website or call us for more information. You can now set up your own account and order online.

We still have seasoned & kiln dried logs in 0.8m³ bulk bags or the very handy barrow bags & nets.

All fuels are available for collection from our yard at a discounted rate. We'll always do our best to price match any other quotations you may receive for the same fuels.

Thank you for taking the time to read this letter, stay safe and we hope to hear from you soon.

Many thanks,

Alan, Richard & Philip

** The rules have recently been amended from no sales of house coal in plastic bags to unsealed plastic bags only.

Also in stock :

- *Organic Compost * Fertile Mulch*
- *Soil Conditioner (All 40 Ltr)*
- * Restaurant Grade Charcoal (12kg)*

Bulk buy discounts available
